

BSL LEVEL 2 CERTIFIED COURSE

Duration: 30 weeks

Session Length: 3 hours

Delivery: Online

Price: £700

This certified BSL Level 2 course is designed for learners who have completed BSL Level 1 or already have a basic understanding of British Sign Language and would like to develop their signing skills further.

Throughout the course, learners will build confidence in longer conversations, expand their vocabulary, and improve their ability to understand and use BSL in a wider range of everyday situations.

The course includes:

- Developing longer and more detailed BSL conversations
- Expanding vocabulary across everyday topics, routines, activities, and experiences
- Expressing opinions, preferences, feelings, and personal information more clearly
- Strengthening BSL grammar, sentence structure, facial expression, and signing space
- Improving receptive skills to better understand signed stories and conversations
- Building productive skills through signed presentations and topic-based communication
- Practising conversational skills in a supportive learning environment
- Guided tutor support throughout the course
- Preparation for the required Level 2 certified assessments

This course is suitable for learners who are ready to move beyond basic signing and develop stronger communication skills for everyday conversations, work, family, or personal development. Completing BSL Level 2 also provides a pathway for learners who wish to continue to BSL Level 3.
